Note: Due to the large variations in learning modalities (e.g., remote, in-person) between communities caused by the COVID-19 pandemic, data from the 2020-21 school year are not included in the historical trend graphs.

The way we refer to student behavior has evolved. In 2023 three labels in our apps have changed and are reflected in this report: Major and Minor referrals are now Administrator-managed and Staff-managed and Office Discipline Referral (ODR) is now Referral.

PBISApps.org is the home of web-based applications used by schools, districts, regions, and states in the US and abroad as part of their on-going decision-making processes.

Educators have been using PBISApps for over ten years to make schools safer, more

productive learning environments — empowering them to make data-based decisions in real time.

PBISApps.org is run by Educational & Community Supports, a research unit at the University of Oregon.
